Telecommunications Regulatory Authority

# ANNOUNCEMENT

## List of Licensed Postal Companies

Pursuant to the Postal Services Regulatory Act issued by the Royal Decree No. 71/2012, TRA is in charge of regulating the postal and related services in the Sultanate as well as overseeing and monitoring the postal service providers to ensure the provision of quality licensed services according to the approved tariff. TRA also handles consumers' complaints and resolves them.

To safeguard consumers' rights, maintain the quality of service and secure the confidentiality of the consumers' data, TRA is pleased to urge the beneficiaries (individuals, private companies and government institutions) to deal with the postal companies that are licensed by TRA for the provision of postal services and the distribution and delivery of postal articles locally and abroad.
